

How Do We Take Peace?

*Listed below are the Scriptures I referred to in my teaching “**How Do We Take Peace?**” Note that I am only listing the Scripture reference number but not writing out the full Scripture.*

Picking up your Bible (your preferred version) and locating the Scripture is a much better adventure. When we begin to look up Scripture and dig in the Word of God, we can have new discoveries. So, dig in and enjoy the adventure and all that you will discover.

BTW don't forget to use different versions of the Bible. You will love what you find.
